B **F#**
We re never told, we re never told when to give in.

B **F#**
We never know, we never know when it will end.

B **F#**
So we better go, we better go when it begins.

B
The earth will shake as the mountains crack

B
and all thats takens given back,

B **F#**
The golden age is coming round the bend.

F#
Just roll with it baby,

B
let go and shake a little tail feather,

F#
Roll with it, just roll with it baby,

B
let go.

B
All the things that held us back,

B
Drained us like an hour glass,

B **Bm** **F#**
They disappear like sugar in the snow.

B **F#**
We ll never fall, we ll never fall into control.

B **F#**
We ll never stop, we ll never stop shaping the mould.

B **F#**
We ll rise to the top, we ll never drop out in the cold.

The earth will shake as the mountains crack
