When the stars came crashing down, In tiny pieces to the ground

I gave into a God I didn t know

And now everything is falling into place

A brand new life is calling and I owe it all to grace

Chorus:

C/G **G**
It s so much brighter living in your world
B **Em**
Savior, what you did for me
C/G **G** **D**
You gave me something I want everyone to see

When we struggle and it all goes wrong

Only you can make it right, So I say
