

Light In The Dark
Next To Normal

G **Em** **Am** **C**
One light shines in the drive
G **Em**
One single sign
Am **D** **G**
That our house is alive.
C **D** **C** **D**
Our house, our own
G
So why do I
D **G** **D**
Live there alone?

G **Em**
Tell me why I
Am **Dsus** **D**
Wait through the night,
G
And why do I
Em **Am7** **Am**
Leave on the light?
Em **Bm** **C** **G**
You knowâ€”I know,
Am7
Our house was
C **Dsus** **D**
A home long ago.
G **Em**
Take this chance,
Am7 **Csus/D**
Cause it may be our last
Gsus **Em**
To be free,
Am **Dsus**
To let go of the past,
B7 **Em** **Bm/D**
And to try,
Csus **Gsus**
To be husband and wife,
Am7 **G/B**
To let our love never die
Csus **Cmaj7/D** **D7**
Or to just live our life.

G **Em**
Take my hand,
Am **C/D** **B/D#**

And let me take your heart,

Em Gmaj7/D

Keep it far

From what keeps us apart

Let us start

Night falls,

I stare at the walls.

I wake and wander the halls

Diana: I get lost in these halls...

Cm

And I ache to the bone...

Diana: It's like nothing I've known...

I can't get through this alone.

Take this chance,

And we'll make a new start

Somewhere far

From what keeps us apart,

In the night

There's a light

A light in the dark.
