E **Asus/E**
But I can see it through your fake smile, you re not
E
There s a reservoir in your eyes
E **Asus/E**
That you ve been holding back a long time, what s wrong?

E
Darling, you don t have to hold it
Asus/E
You don t have to be afraid
E
You can go ahead and unload it
Asus/E
Cause you know it ll be okay
E **Asus**
