

Heaven

Niall Horan

CAPO 3er TRASTE!!!

Intro:

D G

D

D

Strange light revolves around you

You float across the room

Em

Your touch is made of something

G

Heaven can't hold a candle too

You're made of something new

D

Let's not get complicated

Let's just enjoy the view

Em

It's hard to be a human

G

So much to put an answer to

But that's just what we do

D

God only knows where this could go

Em

And even if our love starts to grow out of control

G

And you and me go up in flames

D

Heaven won't be the same

D

I'm having revelations

You dance across the floor

Em

Beyond infatuation

G

How I obsessively adore you

That's what I do

F#m

Bm

I believe, I believe

G **A**
I could die in your kiss
F#m **Bm**
No, it doesn't get, doesn't get
G
Better than this

D
God only knows where this could go
Em
And even if our love starts to grow out of control
G
And you and me go up in flames
D
Heaven won't be the same

D
God only knows where this could go
Em
And even if our love starts to grow out of control
G
And you and me go up in flames
D
Heaven won't be the same
