

Since Were Alone  
Niall Horan

[Intro] F G Am F

Like the rain on a sunny day G  
There s a shadow behind your face Am  
Tell me what you re running from F  
I don t know what made you so afraid G  
Don t you know you got the best of me? Am  
Yeah, you re everything I want F

Your hiding, hiding Am  
You can talk to me F  
It s more than skin deep G  
But I m trying, yeah Am F

Yeah, you can show me your heart G  
If you put it all in my hand Am  
No, I swear F  
No, I won t break it apart G  
Since we re alone F  
Show me all that you are G  
And if you get lost in the light Am  
It s okay, I can see in the dark F G F
