I ve got a young heart
And it s wild and free
I don t know where it starts
But it ends with you and me
It s a hard road
As far as I can see
I don t know where I m going
But I ll get back to you and me

(F G C F)

Cause we re two kids
Trying to start a fight
No matter where we go
Yeah, we ll be alright
All I m asking for
A bit of patience, please
Cause I know what s to come
And it s coming for you and me

F G

Time has never been on our side

C F

So would you wait for me?

F G

I lead a selfish life

C F

Cause that s what I need

F G

What do I have to do

C Am

To make you believe?

F G C F
