

This Moment
Nic Chagall

My first tab, based if off of the progressive mix.

Standard Tuning
Capo 4

C **Em**
I ve been running on, running on empty
C **Em**
For way too many miles now
C **Em**
I ve been flying with broken wings
C **Em**
(And now I m falling faster to the ground

C **Em**
And it s a bitter end to a story so sweet
C **Em**
Like a long lost friend that s never found a way back to me
C **Em** **C**
And I can t deny these memories got me all locked up inside
(**C**) **Em**
And you hold the key

C **D** **Em** **G**
All that I need is this moment
C **D** **Em** **G** **C**
To send me away with a smile on my face
(**C**) **D** **Em** **G**
I tried to leave but I turn back
C **D** **Em** **G** **C**
On my heart remains a trace

(**C**) **D** **Em** **G**
All that I seek is this moment
C **D** **Em** **G**
All day in my mind I recreate
C **D** **Em** **G**
If there was a way to get back
C **D** **Em** **G**
This feeling of chase... of chase...

C **D** **Em** **G** **C**
All that I need... ...is this moment
This moment...
