Niccokick - Teenage Love

Intro - **F Em G G**

Vers 1.

**C F G**  
I got stiff legs and a forced smile  
**C F G**  
I feel old, I wanna lay down and die  
**Am G F**  
I got lines around my eyes  
**Dm Em F G**  
My back's crooked, my body is aching, I can't fake it

Once I was young, my life had just begun  
But very soon, my heart broke in two  
I was introduced to love  
A black love I'll never get rid of  
You're still in blood

Chorus 1.

**C Am G F**  
Got damn you teenage love, a, a, a  
**C Am G F**  
What was I thinking of, a, a, a  
**C Am G F**  
Got damn you teenage love  
**C Am G F G**  
You're the one who got me on the run

Vers 2. (Same chords as the first)

26, I feel like 38  
I can't wait until I'll grow so much hate  
I can't stand upon my feet  
Already bitter and incomplete

27, I feel like 39  
It's all this wine, that keeps me up all night  
I got dark lines around my eyes

My lifeâ€™s like the worst hung over  
Iâ€™m getting older

Chorus 2.

I blame my teenage love, a, a, a  
What was she thinking of, a, a, a  
I blame my teenage love  
Itâ€™s her fault I turned bald, I feel anxious and cold

Solo (**C Am G F**)

Chorus 3.

Got damn you teenage love, a, a, a  
What was I thinking of, a, a, a  
Got damn you teenage love  
Youâ€™re the one who got me on the run

Got damn you teenage love, a, a, a  
Youâ€™re the one who got me on the run

It s not a 100%, but close enough. Have fun and good luck//Glenn.
