

**Mansplainin  
Nice Horse**

[Verse 1]

**D**

Boy, this skirt don t make me stupid

**D**

Did I ask for your advice?

**D**

Unless we re barefoot in the kitchen how does any girl survive?

**D**

It s a man s world

**D**

Can t believe I stepped outside

**D**

Thank the good Lord he made men to show us how to do it right

**G**

You spell it out for me

**D**

Step by step 123,

**G**

**A**

Over explaining is driving us cray-cray-cray-cray-crazy

[Chorus]

**D**

Let me stop you right there

**D**

You â€œhoneyâ€• me again and I swear

**C**

**A**

I built this truck from the axle up, I know every darn part under there

**D**

Let me stop you right there

**D**

You â€œhoneyâ€• me again and I swear

**C**

You sweet sweet thing, It s gonna sting

**A**

When you find out ladies everywhere

[Bridge]

**D**

**C**

**D**

Don t need no, don t need no, don t need no mansplainin

**D**

**C**

**D**

Don t need no, don t need no, don t need no mansplainin

[Verse 2]

**D**

Little girls be overstepping

**D**

If they don't nod their head and smile

**D**

So we bite our tongues and fake it cause we know it's ladylike

**D**

All your preaching

**D**

Trying to show me that you're right

**D**

I can't take no more I do declare I've tried to be polite

**G A**

Over explaining is driving us cray-cray-cray-cray-crazy

[Chorus]

**D**

Let me stop you right there

**D**

You "honey" me again and I swear

**C**

I built this truck from the axle up

**A**

I know every darn part under there

**D**

Let me stop you right there

**D**

You "honey" me again and I swear

**C**

You sweet sweet thing, It's gonna sting

**A**

When you find out ladies everywhere

[Post-Chorus]

**C**

Sure you don't mean no harm you just think we don't know better

**D**

Might even think it's sweet how you're putting in the effort

**C**

Well don't you worry baby, we're still gonna need your help

**A**

To open up that pickle jar that's sittin' on the top shelf

[Bridge]

**D**

**C D**

Don't need no, don't need no, don't need no mansplainin

**D**

**C D**

Don't need no, don't need no, don't need no mansplainin

**D**

**C D**

Don't need no, don't need no, don't need no mansplainin

**D**

Don't need no, don't need no

[Chorus]

**E**

Let me stop you right there

**E**

You "honey" me again and I swear

**D**

I built this truck from the axle up

**B**

I know every darn part under there

**E**

Let me stop you right there

**E**

You "honey" me again and I swear

**D**

You sweet sweet thing, It s gonna sting

**B**

When you find out ladies everywhere

[Outro]

**E**

**D**

**E**

Don t need no, don t need no, don t need no mansplainin

**E**

**D**

**E**

Don t need no, don t need no, don t need no mansplainin
