 Quite a nice song! Solo not included.
 Chords used: **Dm**, **Dm/C**, **C**, **Bb**, **Gm**, **C7**, **F**, **F***

F*: I don't know how the chord is called but it's combined with notes from an A-chord, but I can't seem to get it right. If somebody knows what it is, feel free to comment!

Intro:

Dm - **F** - **Bb**

Verse 1:

Dm	C	Bb
When I first came into this world		
you were there		
Dm	C	Bb
safe in my mouth, and beautiful		
Dm	C	Bb
whenever I was hungry you were there		
Dm	C	Bb
safe in my mouth and beautiful		

Pre-Chorus:

Gm	C7	Dm
and as a young man, I was taken		
	Dm/C	
by the shape of you		
Gm	C7	Dm Dm/C
and all I ever hoped to do was touch		
Gm	C7	Dm Dm/C
as an older man, I can't believe it's possible		
Bb		F
to love a pound of flesh so much		

Chorus:

F	F*
Boobies are fine,	
	Bb
boobies are always on my mind	
	F
they make me safe,	
	F*
yeah, like a happy little baby sleeping (sleeping, and dreaming, yeah!)	Bb F

Bb

boobies are sweet, boobies have always been
so good to me

Verse 2: (same as verse 1)

she was everyone s favorite teacher
but we got used to her substitute
because she got sick in April,
we last saw Ms Wemett in June

Pre-chorus:(same again)

I was too young to understand
I don t know, maybe I still am
maybe I m not man enough
but how could something
that we ve always known to love so much
take away the ones we love?

Chorus: (same chords)

Boobies are fine,
boobies are always on my mind
they make me safe,
yeah, like a happy little baby sleeping
I know I m limited, by the fact that I m a man,
but I ll do what I can.

F F*

Bb

Outro:

Dm - C - B (repeat and fade out)
