

Nicks Song
Nice Peter

I m sorry if I seem a little uptight,
But I don t think this is entirely right.
I guess I don t understand what you re going through,
But you know I ll always be there for you.
I just hope I can,
Keep my distance.
I know that it s hard,
But with a little persistence
I hope this is truly,
Gettin through.
Whenever I think of love,
I ll think of you.... Ooooo, I ll think of you.
