

**Creator God**  
**Nick & Becky Drake**

[Intro]

**G C Em D**

[Verse 1]

**D**                    **G**  
You put the stars in outer space  
**D**                    **Em**  
You popped the freckles on my face  
**C**                    **C**  
And all the fish that swim  
**G**                    **G**  
And all the birds that fly  
**D**  
Were made from your incredible imagination

[Chorus]

**G**                    **D**  
Creator God we re singing to the  
**Em**                    **C**  
Creator God of all the world  
**G**                    **D**                    **C**  
Creator God we celebrate You  
**G**  
We celebrate You

[Verse 2]

**D**                    **G**  
You spread the ripples through the sea  
**D**                    **Em**  
You painted stripes on every bee  
**C**                    **C**  
And all the grass that grows  
**G**                    **G**  
And all the leaves that fall  
**D**  
Are part of Your amazing plans for this creation

[Chorus]

**G**                    **D**  
Creator God we re singing to the  
**Em**                    **C**  
Creator God of all the world  
**G**                    **D**                    **C**  
Creator God we celebrate You  
**G**  
We celebrate You

[Verse 3]

**D** **G**  
You placed the heat into the sun

**D** **Em**  
You placed a heart in everyone

**C** **C**  
And all the music played

**G** **G**  
And all the dancing done

**D**  
Reminds us that we re made to be creative like

[Chorus]

**G** **D**  
Creator God we re singing to the

**Em** **C**  
Creator God of all the world

**G** **D** **C**  
Creator God we celebrate You

**G**  
We celebrate You
