From the first hit

Saw my

D#

world come crashing down

Iâ€™ll never forget

How you just blew my mind

Cm

My head is spinning

C#

Feel my heart â€™bout to explode

Iâ€™m overload from head to toe

D#

Around and round and round we go

Cm

So

G#

what Iâ€™m addicted

And now I canâ€™t live without

D#

your

love

Maybe itâ€™s crazy

But I just canâ€™t

G#

get

enough

I canâ€™t fight

Cm

the

feeling

Iâ€™d rather let you take me away

I donâ€™t wanna

D#

break these chains

Iâ€™d rather feel the

G#

pain

Youâ€™re such
Cm
a good bad drug

The
Fm
one I
C#
canâ€™t give up

You
D#
give me such a rush

The
G#
one Iâ€™m thinking of

Youâ€™re such
Cm
a good bad drug

Yeah,
C#
Iâ€™m struck out

No, I
D#
canâ€™t see straight
All you give Iâ€™ll take
You got me now
Just coming back for more
Iâ€™m not coming down

Too
G#
much,

C#
too

late

And overload from head to
G#
toe

Around and
D#
round we go

So what Iâ€™m addicted

And

Cm

now I canâ€™t

A#m

Iâ€™m

Cm

so hooked, I took your

C#

pill

I get stuck, I

D#

get my fill

Thereâ€™s no hope

Cm

praying

You will get home, love

I need no therapy

Unless youâ€™re not

G#

around

Hooked up

D#

your

chemistry

Iâ€™m never coming down

You gotta hold me

I want

A#m

more

D#

Gimme

more

I need my fix

So what Iâ€™m addicted

And now I canâ€™t
