

Falling Down
Nick Carter

Bm

It s so cold in this room

G

And I m trapped inside you heart

Am E

All by myself, yeah

Bm

All alone in your sea

G

And I m sinking like a ship

Am E

I m going down, going down

Bm

I don t wanna live my life without you

G

The hardest thing I ever do

Am

E

Is try to pick myself up off the ground

Bm

G

I try to outrun all the memories

Am

But I keep falling down

E

Yeah, I keep falling down

Bm

G

And it s like you still got a hold of me

Am

Cause I keep falling down

E

Yeah, I keep falling down

Bm

I can t sleep, I can t dream

G

Cause you senses are here on the pillows

Am

E

In my bed, in my bed

Bm

And this pain s so insane

G

Am

I m still haunted by the stupid things I ve said

E

All the things I ve said

Bm

I don t wanna live my life without you

G

The hardest thing I ever do

Am

E

Is try to pick myself up off the ground

Bm

G

I try to outrun all the memories

Am

But I keep falling down

E

Yeah, I keep falling down

Bm

G

And it s like you still got a hold of me

Am

Cause I keep falling down

E

Yeah, I keep falling down

D

Bm

And how do I let go?

F#m

I know I should move on

G

D

But without you I don t know where I belong

Bm

And everywhere I go

F#m

Every happy face I see

G

Bm

It reminds of the way we used to be

Bm G

Oh Oh Oh

Am E

Oh Oh Oh Oh

Bm

G

I try to outrun all the memories

Am

But I keep falling down

E

Yeah, I keep falling down

Bm

G

And it s like you still got a hold of me

Am

Cause I keep falling down

E

Yeah, I keep falling down

Bm G
