Nothing Left to Lose  
Posted on February 5, 2012

I  
**A**  
know, I know

I  
**F#m**  
climbed the highest  
**C#m**  
mountain

Was on top of the  
**D**  
world  
**A**  
Then I came crashing  
**F#m**  
down

All the  
**C#m**  
fame and fortune

Turned to  
**D**  
dust and  
**A**  
dirt

Couldn't turn it  
**F#m**  
back

around

Many days  
**C#m**  
felt

helpless

Many nights full  
**D**  
of

sadness

Maybe

**F#m**

itâ€™s meant

**A**

to

be

I got

**D**

nothing, nothing

**D#dim**

left to lose

**A**

I got freedom, but most of all,

**C#m**

you

We got love and we got time

**A**

If we

**E**

just remain on

**F#m**

each

**C#m**

otherâ€™s

hearts

We could

**G#dim**

leave it all behind

**A**

And start anew

As long as I got you

As long as I got you

**E**

No more front page stories

No more

**C#m**

making up lies

Turning my life around,

**A**

life

around

No more cameras flashing  
Blinding my eyes

**C#m**

I can see clearer now

**D**

Oh, cause

**A**

Iâ€™m still breathing

Itâ€™s

**F#m**

a new beginning

**C#m**

Baby itâ€™s meant

**D**

to

be

**F#m**

I got nothing,

**A**

nothing left to lose

**D**

I got freedom, but most of all,

**A**

you

(oh)

We could be anything

**C#m**

we

want

Just let go in each otherâ€™s

**A**

arms

No more

**F#m**

lonely nights in

**C#m**

dirty hotel rooms

We got love and we

**A**

got

time

If we just remain on each otherâ€™s lives

We could leave it all behind

And start anew

As long

**C#m**

as I got you

And the

**E**

rain wonâ€™t stop me

And the cold wonâ€™t scar me

And nobodyâ€™s gonna hold

**A**

me

down

I got nothing, nothing left to lose

**C#m**

I got freedom, but most of all, you

We could be

**F#m**

anything we

**C#m**

want

Just let go in each otherâ€™s arms

**A**

No more lonely nights in dirty hotel rooms

We got love and we got time

If we just remain on each otherâ€™s

**E**

lives

We could leave it all behind

**A**

And start anew

As

**F#m**

long as I got you

As long as

**A**

I got you

**E**

As long as I got

**C#m**

you

As long

**D**

as I got you
