

**Special**

**Nick Carter**

**Cm**

She makes me wanna fly

**D#**

Both feet on the ground

**G#**

Takes me to this place

**D#**

I donâ€™t

**Cm**

wanna come down

It gives me something fresh

**D#**

Someone that is real

**G#**

Separate from the rest

**D#**

Makes me wanna feel

**G#**

I got the perfect

**D#**

invitation To a world

**Cm**

thatâ€™s full with smiles

With our spirits free and

**B**

wild

But itâ€™s

**C#**

a bittersweet sensation

**D#**

â€™Cause Iâ€™ll never have her heart

No matter how I try

**C#**

Sheâ€™s always on my mind

At night,

**D#**

everyday

And with every breath I take on the way

Sheâ€™ll make a grown man

**G#**

cry

With one look deep into her

**D#**

eyes

Outrageous, make

**Cm**

you

crazy

Itâ€™s amazing

Sheâ€™s special,

**G#**

sheâ€™s

special

So special

Sheâ€™s special, sheâ€™s special

Sheâ€™s special

Yeah, yeah

**Cm**

Footprints on the sand

Hear the ocean

**D#**

crash

Underneath the moon

Walking hand in hand

**Cm**

Shadow

**G#**

by my side

Wishing you

**D#**

weremine

Keep you in my

**Cm**

dreams

Locked deep inside

I got the perfect invitation

**C#**

To a world thatâ€™s full with smiles

With our spirits free and

**B**

wild

But

**C#**

itâ€™s a bittersweet sensation

â€™Cause

**Cm**

Iâ€™ll never

**D#**

have her heart

No matter how I try

Sheâ€™s always on my mind  
At night, everyday  
**G#**  
And with every breath I take  
**D#**  
on the way

**Cm**  
Sheâ€™ll make a grown man cry  
**G#**  
With one  
**C#**

**D#**  
her  
eyes  
Outrageous, make you crazy  
Itâ€™s amazing, sheâ€™s special  
Oh, I swore to you, girl, I will follow

I know some day  
**G#**  
youâ€™ll want me

When youâ€™re not  
**D#**  
so cold and lonely

Iâ€™ll be the whisper in your  
**G#**  
ear  
If ever you should call me Iâ€™ll be here

No matter how I try  
Sheâ€™s always on my mind At  
**D#**  
night, everyday  
And with  
**G#**  
every breath I take on the way  
Sheâ€™ll make a grown man cry

With one look deep into her eyes  
Outrageous, make you crazy  
**C#**  
Itâ€™s

amazing

Sheâ€™s special, sheâ€™s  
**Cm**  
special

So special

**D#**

Sheâ€™s special,

**Ema j7**
