

Who needs the world  
Nick Carter

G D Em C (x2)

Yeah, Oh

G Em

I stare at your face

C

Into your eyes

D

G

Outside there s so much passing us by

Em

All of the sounds

C

All of the sights

D

Em

Over the earth and under the sky

D

C

Too much cold and too much rain

D

G

Too much heartache to explain

G D C

Who needs the world when I got you

D

G

Switch off the sun the stars and the moon

D

C

I have all I need inside of this room

D

G

Who needs the world when I got you

G D Em C

Oh no no

G Em

I walk on the street

C

Talk in the dark

D

G

I see peoples dreams just falling apart

Em

I open my arms

C

Tried to be true

D

Em

Seems like my only truth is you

D

Am I wrong

C

Or am I right

**D**

All I want is you tonight

**G**                    **D**                    **C**  
Who needs the world when I got you

**D**                    **G**  
Switch off the sun the stars and the moon

**D**                    **C**  
I have all I need inside of this room

**D**                    **G**  
Who needs the world when I got you

**Em**                    **D**                    **C**                    **D**  
Who needs the stars so bright and the grass so green and the morning light

**Em**                    **D**                    **C**  
Who needs the wind to blow and the tide to rise

**D**                    **G**                    **D**  
Who needs it...I don t know

**Em**                    **C**  
I don t know  
Yeah

**G**                    **D**                    **C**  
Who needs the world when I got you

**D**                    **G**  
Switch off the sun the stars and the moon

**D**                    **C**  
I have all I need inside of this room

**D**                    **G**  
Who needs the world when I got you

**D**                    **C**  
Who needs the world when I got you

**D**                    **G**  
Switch off the sun the stars and the moon

**D**                    **C**  
I have all I need inside of this room

**D**                    **G**  
Who needs the world when I got you

**G**                    **D**                    **Em**  
Who needs the world when I got you
