and it s small and it s mean and it s cold.

But if you come around just as the sun goes down,

[tab] **Dm**

you can watch the whole thing turn to gold.[/tab]

[tab]**G** **G7**

Oh, it s around then that I used to go a-roaming, singing:[/tab]

[tab]**C** **Am** **Dm** **E7** **Am**

Lalalala, lalalalie, all God s children, they all gotta die![/tab]

Repeat chords as the plot thickens ;-)
