Nick Cave And The Bad Seeds - Black Hair Chords by Ojciec(radek7g@interia.pl)

F G F G

Last night my kisses were banked in black hair

F G F G

And in my bed, my lover, her hair was midnight black

C Em Am Asus2 Am

And all her mystery dwelled within her black hair

F G F G

And her black hair framed a happy heart-shaped face

And heavy-hooded eyes inside her black hair

Shined at me from the depths of her hair of deepest black

While my fingers pushed into her straight black hair

Pulling her black hair back from her happy heart-shaped face

To kiss her milk-white throat, a dark curtain of black hair

Smothered me, my lover with her beautiful black hair

The smell of it is heavy. It is charged with life

On my fingers the smell of her deep black hair

Full of all my whispered words, her black hair

And wet with tears and good-byes, her hair of deepest black

All my tears cried against her milk-white throat

Hidden behind the curtain of her beautiful black hair

F G F G

As deep as ink and black, black as the deepest sea

F G F G

The smell of her black hair upon my pillow

C Em Am Asus2 Am

Where her head and all its black hair did rest

F G C Em

Today she took a train to the West

F G C Em

Today she took a train to the West

F G C Em

Today she took a train to the West
