[Verse]

C G C
It s up in the morning and on the downs
G F
Little white clouds like gambolling lambs
G C
And I am breathless over you
G C
And the red-breasted robin beats his wings
G F
His throat it trembles whe__n he sings
G C
For he is helpless before you
G
The happy hooded bluebells bow
C G F
And bend their h_ heads all a-do__wn
G C
Heavied by the early morning dew
G C
At the whispering stream, at the bubbling brook
G F
The fishes leap up to take a look
G C
For they are breathless over you

[Chorus]

G
Still your hands
C
And still your heart
G F
For still your face comes shining through
G C
And all the morning glows anew
G
Still your mind
C
Still your soul

For still, the fare of love is true
And I am breathless without you

[Interlude]

[Verse]

The wind circles among the trees
And it bangs about the new-made lea__ves
For it is breathless without you
The fox chases the rabbit round
The rabbit hides beneath the gro__und
For he is defenceless without you
The sky of daytime dies away
And all the earthly things they stop to pla__y
For we are all breathless without you
I listen to my juddering bones
The blo__od in my veins and the wind in my lu__ngs
And I am breathless without you

[Chorus]

Still your hands
And still your heart
For still your face comes shining through
And all the morning glows anew
Still your mind
Still your soul
For still, the fire of your love is true
And I am breathless without you
