The curse of Milhaven by Nick Cave & The Bad Seeds.

This is a cute one....

Am

and it s small and it s mean and it s cold.
But if you come around just as the sun goes down,

Dm

you can watch the whole thing turn to gold.

G

G7

Oh, it s around then that I used to go a-roaming, singing:

C

Am

Dm

E7

Am

Lalalala, lalalalie, all God s children, they all gotta die!

Repeat chords as the plot thickens ;-)
