Nick Cave & The Bad Seeds

[Chords]

Key: Bm (D)

Bm(with hammer on F# and B or just B if you want, (ie. Bm7)) - A - G
C#m - F#

[Verse]

C#m

B **A**
Can t remember anything at all

C#m

Flame trees line the streets

B **A**
Can t remember anything at all

C#m

But I m driving my car down to Geneva

F#

I been sitting in my basement patio

C#m

Aye it was hot up above

F#

C#m

Girls walk past, the roses all in bloom

C#m

B

A

Have you ever heard about the Higgs Boson Blues?

C#m

I m going down to Geneva, baby

Gonna teach it to you

F#

C#m

Who cares? Who cares what the future brings?

F#

Black road long and I drove and drove

And came upon a crossroad

C#m

The night was hot and black

F#

I see Robert Johnson with a 10-dollar guitar

C#m

Strapped to his back looking for a tomb

B

A

Well here comes Lucifer with his canon law

C#m

And a hundred black babies running from his genocidal jaw

B

He got the real killer groove

A

C#m

Robert Johnson and the devil, man

C#m

Don t know who is gonna rip off who

F#

Driving my car, flame trees on fire

C#m

Sitting and singing the Higgs Boson Blues

F#

I m tired, I m looking for a spot to drop

C#m

All the clocks have stopped

B

A

In Memphis now in the Lorraine Motel

C#m

It s hot, it s hot - that s why they call it the Hot Spot

B

I ll take a room with a view

A

C#m

Hear a man preaching in a language that s completely new

F#

Making the hot cocks in the flophouse bleed

C#m

While the cleaning ladies sob into their mops

And a bellhop hops and bops

F#

A shot rings out to a spiritual groove

C#m

Everybody bleeding to that Higgs Boson Blues

B

A

If I die tonight, bury me

C#m

In my favorite yellow patent leather shoes

B

A

With a mummified cat and a cone-like hat

C#m

That the caliphate forced on the Jews

F#

Can you feel my heartbeat?

Am

Can you feel my heartbeat?

B

A

C#m

Hannah Montana does the African Savannah

As the simulated rainy season begins

F#

She curses the queue at the Zulus

C#m

And moves on to Amazonia

And cries with the dolphins

B

Mama ate the pygmy

A

The pygmy ate the monkey

C#m

The monkey has a gift that he is sending back to you

B **A**
Look here comes the missionary

C#m
With his smallpox and flu

B **A**
He s saving them, the savages

C#m
With the Higgs Boson Blues

B **A** **C#m**

F# **C#m**
I m driving my car down to Geneva

B **A**
C#m
I m driving my car down to Geneva

[Outro]

F#
Oh let the damn day break

C#m
The rainy days always make me sad

F#
Miley Cyrus floats in a swimming pool in Toluca Lake

C#m
And you re the best girl I ve ever had

B **A** **C#m**
Can t remember anything at all
