

Love Letter

Nick Cave & The Bad Seeds

Artist: Nick Cave and the Bad Seeds

Song: Love Letter

Album: No More Shall We Part

Eb **Ab**
I hold this letter in my hand
Eb
A plea, a petition, a kind of prayer
Ab
I hope it does as I have planned

Losing her again is more than I can bear
Eb **Ab**
I kiss the cold, white envelope
Eb
I press my lips against her name
Ab
Two hundred words. We live in hope
Eb
The sky hangs heavy with rain

Eb **Ab**
Love Letter Love Letter
Eb **Ab**
Go get her Go get her
Eb **A**
Love Letter Love Letter
Eb **Bb - Ab**
Go tell her Go tell her

Eb **Ab**
A wicked wind whips up the hill
Eb
A handful of hopeful words
Ab
I love her and I always will
The sky is ready to burst
Eb
Said something I did not mean to say
Ab
Said something I did not mean to say
Eb
Said something I did not mean to say
Ab
It all came out the wrong way

Eb **Ab**
Love Letter Love letter

Eb **Ab**
Go get her Go get her

Eb **Ab**
Love Letter Love letter

Eb **Bb - Ab**
Go tell her Go tell her

Rain your kisses down upon me
Rain your kisses down in storms
And for all who ll come before me
In your slowly fading forms
I m going out of my mind
Will leave me standing in
The rain with a letter and a prayer
Whispered on the wind

Bb **Ab**
Come back to me

Bb **Ab**
Come back to me

Bb **Ab** **Bb** **Eb**
O baby please come back to me
