Nick Cave - Mercy Seat

I was reading the tabs on this site and came up with this alternative. The verse is Em and Bm but I think the song is the Em bar chord on fret 7 5th string and fret 7 barred accross from the 5th string like this:

```
--7---7--|  
--8---7--|  
--9---7--|  
--9---7--|  
--7---7--|  
-----|
```

This doesn't apply to the verse which I use all bar chords for. The guitar chords in the Nick Cave recording are just strung once and let ring with a whole bunch of echo and droney stuff.

Em **Bm**
I began to warm and chill
Em **Bm**
To objects and their fields
Em **Bm**
A ragged cup, a twisted mop
Em **Bm**
The face of Jesus in my soup
Em **Bm**
Those sinister dinner deals
Em **Bm**
The meal trolley's wicked wheels
Em **Bm**
A hooked bone rising from my
Em **Bm**
food. All things good or ungood.

Em
And the mercy seat is waiting
Em
And I think my head is burning
Bm
And in a way I'm yearning to be
D
done with all this measuring of
Dm
truth, An eye for an eye and a tooth for a
F
tooth, And anyway I told the

C

Em

truth, And I m not afraid to die.

etc.

Look at other chord tabs for full lyrics and song structure. Thanks.
