G6 G G6

G D
Strange face, with your eyes
C G6 G G6
So pale and sincere.

G D
Underneath you know well
C G6 G G6
You have nothing to fear.

C G Cmaj7 G6 G G6
For the dreams that came to you when so young

C G
Told of a life
Am C " Cmaj7 G6 G G6
Where spring is sprung.

CHORUS

G G7 G G7 G G7 G7 G6 G
Mhhhh Mhh mh mh mh mh mh mh Mhhhhhhh [x2]

G D
You would seem so frail
C G6 G G6
In the cold of the night

G D
When the armies of emotion
C G
Go out to fight.
C G Cmaj7 G6 G G6
But while the earth sinks to its grave

C G
You sail to the sky
Am C " Cmaj7 G6 G G6
On the crest of a wave.

CHORUS

G D
So forget this cruel world
C G6 G G6
Where I belong
G D
I ll just sit and wait

C G6 G G6

And sing my song.

C G Cmaj7

And if one day you should see

G6 G G6

me in the crowd

C G

Lend a hand and lift me

Am C " Cmaj7 G6 G G6

To your place in the cloud.

CHORUS
