

Man In A Shed
Nick Drake

Basically, it s just a bass line C >> B >> A >> D for the main part of the song thusly:

Well there was a man,

C **B** **A** **D**

lived in a shed

C **B** **A** **D**

Then for the other part:

When it rained, he felt so bad

C **G/B** **Am** **G**

When it snowed, he felt just simply sad

C **G/B** **Gm/Bb** **Gsus2/A**

Well there was a girl who lived nearby
Whenever he saw her he could only simply sigh
But she lived in a house so very big and grand
For him it seemed like some very distant land
So when he called her
His shed to mend
She said I m sorry you ll just have to find a friend

Well this story is not so very new
But the man is me, yes, and the girl is you
So leave your house--come into my shed
Please stop my world from raining through my head
Please don t think
I m not your sort
You ll find that sheds are nicer than you thought
