Man In A Shed Nick Drake Basically, it s just a bass line C >> B >> A >> D for the main part of the song thusly: Well there was a man, D С в Α lived in a shed С в Α D Then for the other part: When it rained, he felt so bad С G/B G Am When it snowed, he felt just simply sad С G/B Gm/Bb Gsus2/A Well there was a girl who lived nearby Whenever he saw her he could only simply sigh But she lived in a house so very big and grand For him it seemed like some very distant land So when he called her His shed to mend She said I m sorry you ll just have to find a friend Well this story is not so very new But the man is me, yes, and the girl is you So leave your house--come into my shed Please stop my world from raining through my head Please don t think I m not your sort You ll find that sheds are nicer than you thought
