[Intro]

Eb Fm/F# Eb Fm/F#

[Verse 1]

Fm/F# Eb
When I was young, younger than before
Fm/F# Eb
I never saw the truth hanging from the door
Gm Fm/F#
And now I m older see it face to face
Gm Fm/F# Eb
And now I m older gotta get up clean the place
Eb Fm/F# Eb Fm/F#

[Verse 2]

And I was green, greener than the hill
Where flowers grow and the sun shone still
Now I m darker than the deepest sea
Just hand me down, give me place to be

[Verse 3]

And I was strong, strong in the sun
I thought I d see when day was done
Now I m weaker than the palest blue
Oh so weak in this need for you

NOTE: While playing D, constantly hammer on and off the second fret note of the G string. With Em/F#, the second fret note of the lowest D string is hammered on, then the second fret note of the A string is often hammered on too. There is much more going on in this song, particularly the solo, but I figured something is better than nothing. Maybe I ll get back and do a more detailed version one of these days- anyone else who wants to try is very welcome to.
