

He Makes You Look Fat
Nick Helm

E

I ve seen your new boyfriend
He s really good looking

G/bar

If he was a rent boy
I d probably book him

A/bar

Not that I m really into that stuff

E

I m just saying your boyfriend s incredibly buff

E

He s a really nice face
really nice hair

G/bar

He s really polite
And he s really aware

A/bar

He s got really nice teeth
A really nice tan

E.

And he s really relaxed
When the sh!t hits the fan.

E

But he makes ya look fat

G/bar

He makes you look ugly
Like a man

A/bar

He makes ya look old
Just like his nan

E

Yeah he makes you look fat
He makes you look faaaaaaaaaaat

G/bar

Yeah he makes you look lardy round the arse

A/bar

Don t ya know that he s in a different class?

E

Yeah he makes you look fat.

E

You two together
What s wrong with this picture?

G/bar

You need a man
Who s waist line will eclipse ya

A/bar

You need a man
Who s a little more shoddy

E.

A gap in his teeth
And an imperfect body

E

It s nothing you ve done
You ve just shot far too high

G/bar

You get ignored
While they give him the eye

A/bar

Don t get me wrong
I m not saying your fat

E.

It s just anyone would look fat
If they re sat next to that.

E

Yeah he makes you look fat

G/bar

He makes ya look ugly in the face

A/bar

Don t ya know that you re looking out of place?

E

Yeah he makes you look fat

He makes you look faaaaaaaaaaaaaaat

G/bar

He makes you look fat

oh yes indeed

Don t ya know that

G/bar

He s well out of your league

E

Yeah he makes you look fat.

E

I ve got a solution

You might like to try it

G/bar

You won t have to jog

And ya won t have to diet

A/bar

I m sure you will see

To a certain degree

E

How good looking you d be

If ya stood next to me.

E

I can make ya look fit

G/bar

I can make ya look much fitter than him

A/bar

Look at my saggy double chin

E

I can make ya look fit

I can make ya look fiiiiiiiiiiiiiiiiiiiiit

G/bar

I can make ya look fit

Oh yes I can

Don t ya know that I am your ideal man

E, E, E

I can make ya look fit,fit,fit

E

I can make ya look fit..
