

**Give Love A Try**  
**Nick Jonas**

The tabs are even better (still trying to learn them well enough to sing along)  
but  
until then, here are the chords I use!

**C**  
You, You re like driving on a Sunday,  
**Am**  
You, You re like taking off on Monday,  
**G** **F**  
You, You re like a dream,  
**C**  
Dream come true.  
**C**  
I, I m just a face you never notice,  
**Am** **G** **F** **C**  
And I, I m just trying to be honest with myself, with you, with the world.

**Am**  
You might think,  
**G** **C7** **F**  
That I m a fool for falling over you,  
**Am**  
So tell me what can I do,  
**G**  
To prove to you,  
**C7** **F**  
That it s not so hard to do,  
**Fm**  
Give love a try,  
**C**  
One more time,  
**C7** **F**  
Cause you know that I m on your side.  
**Fm**  
Give love a try,  
**C**  
One more time,
