

I may not say it quite as much as I should
Em/B **C/G** **G** **D**
When I say I love you darling that means for good
Am **B** **C**
So open up your heart and let me in

G **D/B**
And I will love you til forever
Em **C**
Until death do us part we ll be together
G **D**
So take my hand and hold on tight
C **D**
And we ll get there
G
This I swear

D **C** **G**
So whenever you get weary
G
Just reach out for me
D **C** **Am** **B** **C**
I ll never let you down my love

A **E/C#m**
And I will love you til forever
F#m **D**
Until death do us part we ll be together
A **E/C#**
So take my hand and hold on tight
D **E**
And we ll get there

A **E/C#**
And I will love you til forever
F# **D**
Until death do us part we ll be together
A **E/C#**
So take my hand and hold on tight
D
And we ll get there
E
Ohh we ll get there
A
This I swear

Im a bass player so i took out the notes from what bass plays in the song. i know for

the guitar there are some notes different like i know the guitar plays C instead of G

in some notes of this song. something like that. Well bass players enjoy.

Guitarists,

try to enjoy. lol. take care.
