[verse]

**Am**                  **F**  
Are you there? Are you gone?  
          **C**                          **G**  
Do you care? Is anybody home?  
                          **Am**                  **F**  
Cuz something s lost in your eyes  
          **C**  **G**  
Are you blind? You re caught up in the lies

**F**  **G**                  **Am**  **Am**  
Who you gonna call when they re comin after you, yeah?  
**F**  **G**                  **C**  
Where you gonna crawl when your fantasy is through?

Tell me...

[chorus]

**C**  
Do you really know me?  
**F**  
Do you really see me?  
          **Am**                          **G**                          **F**  
When you forget, you re fighting on your own

You are not alone  
**C**  
When your sky is falling  
**F**  
When your pain is calling  
**Am**                  **G**                          **F**  
Don t forget, I will take you home

You are not alone

[verse]

**Am**                          **F**  
When you crash, when you burn  
          **C**                                  **G**  
Are you scared? Will you ever learn?  
          **Am**                          **F**  
Cuz there s a price that you pay  
          **C**                                  **G**  
You ll realize tomorrow s another day.. yeah-heah

**F**  **G**                  **Am**  **Am**  
Who you gonna call when they re comin after you, yeah?  
**F**  **G**                  **C**  
Where you gonna crawl when your fantasy is through?

Baby...

[chorus]

**C**  
Do you really know me?  
**F**  
Do you really see me?  
          **Am**                          **G**                          **F**  
When you forget, you re fighting on your own

You are not alone  
**C**  
When your sky is falling  
**F**  
When your pain is calling  
**Am**                  **G**                          **F**  
Don t forget, I will take you home

F->C

You are not alone  
**Am**  **F->C**  
When you re fighting on your own  
          **Am**          **G**  
When the day the darkness comes

**F**                  **F**  
I ll find you, save you baby

Tell me...

**C**  
Do you really know me?  
**F**  
Do you really see me?  
          **Am**                          **G**                          **F**  
When you forget, you re fighting on your own

You are not alone

**C**

When your sky is falling

**F**

When your pain is calling

**Am G F**

Don t forget, I will take you home

**C F Am**

You are not alone

**G F**

When you re fighting on your own

**C**

That you are not alone

When your sky is falling

**F**

When your pain is calling

**Am G F**

Don t forget, I will take you home

**C**

You are not alone
