Just play around with suspended chords at the end of each line (e.g. Dsus4, Asus4)

(G) D  
How do you pack up a memory  
G D  
You can t put it in a sack  
G D  
Those sweet times shared  
A  
You can t send them back  
D  
Still through the dark  
F#  
They refuse not to glow  
G D  
I m having to face it,  
D A D  
Those bygones wont go

G D  
How does a heart go on breaking  
G D  
After its broke  
D  
There s no joy in mine now  
A  
Only night like a cloak  
D  
I wish I was the wind  
F#  
With somewhere to blow  
G D  
I m having to face it,  
G D  
I can t find a place where  
A D  
Those bygones wont go

G

I sang the songs of the poet

**F#m**

That describe the way the way I feel

**G**

But they were only make believe

**D**

**A**

This ones all too real

**D**

How does a heart go on breaking

**F#**

I don t know

**G**

**D**

**G**

I m having to face it,

**D**

**A**

**D**

Those bygones won t go

**G**

**D**

Those bygones won t go,

**G**

**D**

Those bygones won t go,

**G**

**D**

Those bygones won t go
