

Couldnt Love You Any More Than I Do
Nick Lowe

The first two verses use this very simple fingerpicking pattern, so feel free to embellish.

A CHORD

```
e|-----  
B|-----2-----  
G|-----2-----2---2--  
D|----2---2-----2----  
A|--0-----  
E|-----
```

D CHORD

```
e|-----2-----  
B|-----3-----3----  
G|----2---2---2---2--  
D|--0-----  
A|-----  
E|-----
```

[Verse 1]

```
A                      D      A  
I could give you the moon upon a silver tray  
A                      D      A  
Or anything you want me to do  
A                      D      A  
But there s one task that you mustn t ask  
A                      D      A  
Cause I couldn t love you any more than I do
```

[Verse 2]

```
A                      D  
I could learn every line of Crime and Punishment  
A                      D      A  
By heart and recite it to you  
A                      D      A  
To swim seven seas would be a breeze I bet  
A                      D      A  
But I couldn t love you any more than I do
```

(switch to strumming)

[Verse 3]

```
A                      D      A  
With a night class or two I d master jiu jitsu  
A                      D      A  
Or elementary digital ease (?)  
A                      D      A  
But one subject I would have to reject
```

A **D** **A**
Cause I couldn't love you any more than I do

[Verse 4]

B **E**
Lately I've been sick and tired
B **E**
Of all kind affairs
B **E**
Sometimes I feel less than human
B **E**
Much more machine

[SOLO]

(Hammer away on high A for one verse)

[Verse 5]

B **E** **B**
I could give you the moon upon a silver tray
B **E** **B**
But I couldn't love you any more than I do

I could save every cent up for a rainy day
B **E** **B**
But I couldn't love you any more than I do

[Verse 6]

B **E** **B**
I could learn every line of Crime and Punishment
B **E** **B**
But I couldn't love you any more than I do
B **E** **B**
To swim seven seas would be a breeze I bet
B **E** **B**
But I couldn't love you any more than I do
(fade out)
