

**Homewrecker**

**Nick Lowe**

Three, four

**G**

You look like butter would melt in your mouth

**C**

But I know it will, homewrecker

**G**

You look like you could take candy from a baby

**C**

I ve seen you do it, homewrecker

**D**

No one can wreck a home

Better than you can

**C**

And I should know it, cause I m a homeless man

**G**

All down to you, homewrecker

**G**

You look like you could be taken for family

**C**

**G**

That s your style, homewrecker

**G**

I don t know what came over me

**C**

That night

**D**

**C**

All I know is, once I was king, then I turned around

**F**

**G**

And I lost everything, all down to you homewrecker

**F**

**G**

Where am I gonna run to, homewrecker

**G**

You look like you could be taken for family

**C**

That s your style

**G**

You look like you could take candy from a baby

**D**

Even a little helpless child

**F**

Not safe in his bed no more

**G**

**F**

You re gonna get what you got

**G**

Comin to you someday

**G**
