It s obvious they d say this world is too big, too many people too hard to catch			
a break

I was raised up on the good hands of fate, anything is possible sometimes you  
gotta take

So I thought about it, what do I wanna be, a country music singer yea that sounds good to me

-PRE Chorus: -

**C**                      **D**    **C**  
 My daddy said too much is never enough, when your backs against the wall  
**D**  
 You just don t give up...and...

-CHORUS: -

**G** **D** **C**  
Stay strong it won t take long yea I know the stars seem far,  
**D**  
With a little luck and a pickup truck,  
**G** **D** **C**  
I m all alone, I m on my way, the bright lights are callin my name,  
**D** **Em, D, C, D**  
I m gonna proove em all wrong someday
