

Out Of The Woods
Nickel Creek

Okay so this is my first tab. Sorry if it looks lazy, I just don't know what I am doing yet.

I noticed the other tabs around the web were really never quite right if you wanted to pick the notes the same way as the song. So here is what I think sounds best

tuning: DADGAD (that's important)

OUT OF THE WOODS

D A G
D--0---0---0-----|
A--0---0---0-----|
G--2---6---4-----|
D--0---7---5-----|
A--0---7---5-----|
D--0---7---5-----|

Verse:

D **G**
I wish you out of the woods, and into a picture with me
D **G**
I wish you over the moon, come out of the question and be
D A G
If this is going to run around in my head, I might as well be dreaming
D A G
Run around in my head

...and so on.

The chords don't line up exactly with the words on the transitions. I am sorry about that you will just have to listen for it.

If this was helpful, and enough people like it I will go ahead tab out the solo.

but I won't waste my time if no one like this.
