

After The Rain
Nickelback

[Intro] **G#m C#m**

G#m

All your life s scrambling, scurrying

Take your time rather than hurry

C#m

Never too late to write the rest of your story

Remember to breathe or else you re gonna be sorry

G#m

Life s no race, it s a companion

Always face with reckless abandonment

C#m

A ticket to life as the mother once told me

E

Stick with your pride and you re gonna be lonely

B

F#

G#m

Everybody says that life takes patience

E

But nobody wants to wait

B

F#

G#m

Everybody says we need salvation

E

But nobody wants to be saved

B

F#

G#m

The light in the tunnel

E

Is just another runaway train

B

F#

G#m

The blue sky s we wait on

E

Are gonna have to come after the rain

G#m

Spend your days happy and grateful

Avoid the taste of wanting and wasteful

C#m

Every good thing will come in moderation

Envy and greed will only lead to frustration

G#m

Choose your friends, carefree and kindly

Choose your words, careful and wisely

C#m

Always be there to lend a comforting shoulder

E

One will be there to share again when you re older
