After The Rain Nickelback

[Intro] G#m C#m

G#m

All your life s scrambling, scurrying

Take your time rather than hurry

C#m

Never too late to write the rest of your story

Remember to breathe or else you re gonna be sorry $\mathbf{G} + \mathbf{m}$

Life s no race, it s a companion

Always face with reckless abandonment

C#m

A ticket to life as the mother once told me

Е

Stick with your pride and you re gonna be lonely

B F# G#m

Everybody says that life takes patience

G#m

Е

But nobody wants to wait

B F# G#¤

Everybody says we need salvation

Е

But nobody wants to be saved

B F#

The light in the tunnel

E

Is just another runaway train

B F# G#m

The blue sky s we wait on

Е

Are gonna have to come after the rain

G#m

Spend your days happy and grateful

Avoid the taste of wanting and wasteful

C#m

Every good thing will come in moderation

Envy and greed will only lead to frustration

G#m

Choose your friends, carefree and kindly

```
Choose your words, careful and wisely
C#m
Always be there to lend a comforting shoulder
One will be there to share again when you re older
в
          F#
                                  G#m
Everybody says that life takes patience
But nobody wants to wait
          F#
Everybody says we need salvation
But nobody wants to be saved
 B F#
                G#m
The light in the tunnel
Is just another runaway train
          F#
The blue sky s we wait on
Are gonna have to come after the rain
                F#
Old mistakes committed upon us
Always take a toll on the conscience
                 F#
Every regret is a gift that you live with
Never forget to remember forgiveness
Everybody says that life takes patience
But nobody wants to wait
          F#
                          G#m
Everybody says we need salvation
But nobody wants to be saved
                 G#m
         F#
The light in the tunnel
         Е
Is just another runaway train
         F#
The blue sky s we wait on
Are gonna have to come after the ra-ai-ai-ain
