I, I m driving black on black  
Just got my license back  
I got this feeling in my veins this train is coming off the track  
I ll ask polite if the devil needs a ride  
Because the angel on my right ain t hanging out with me tonight

**D5 G5 C5 (2x)**

I m driving past your house while you were sneaking out  
I got the car door opened up so you can jump in on the run  
Your mom don t know that you were missing  
She d be pissed if she could see the parts of you that i ve been kissing  
Screamin

No, we re never gonna quit  
Ain t nothing wrong with it  
Just acting like we re animals  
No, no matter where we go  
cause everybody knows  
We re just a couple of animals

**D5 F5 C5 G5 (4x)**

So come on baby, get in  
Get in, just get in  
Check out the trouble we re in

You re beside me on the seat  
Got your hand between my knees  
And you control how fast we go by just how hard you wanna squeeze  
It s hard to steer when you re breathing in my ear  
But i got both hands on the wheel while you got both hands on my gears  
By now, no doubt that we were heading south

**D5 G5 C5 (2x)**

I guess nobody ever taught her not to speak with a full mouth  
cause this was it, like flicking on a switch  
It felt so good i almost drove into the ditch  
I m screamin

Look at the trouble we re in

We were parked out by the tracks  
We re sitting in the back  
And we just started getting busy  
When she whispered what was that?  
The wind, i think cause no one else knows where we are  
And that was when she started screamin  
that s my dad outside the car!

**D5 G5 C5 (2x)**  
Oh please, the keys, they re not in the ignition  
Must have wound up on the floor while  
We were switching our positions  
I guess they knew that she was missing  
As i tried to tell her dad it was her mouth that i was kissing  
Screamin
