

Fly  
Nickelback

**G** **A**  
Father, tell me somethin  
**Bb** **C**  
Where do bad men go when they die?  
**G** **A** **Bb**  
And mother says you ll go there but  
**C** **G** **A**  
Wings for her and I and I don t mind  
**Bb** **C**  
Cause I have always wanted to learn to...

**G** **A**  
Fly... learn to  
**G** **A**  
Fly... learn to  
**G** **A**  
Fly... learn to  
**Bb** **C**  
Fly...

**G** **A**  
Brother, tell me somethin  
**Bb** **C**  
If I take this, am I going to die?  
**G** **A** **Bb** **C**  
And he says no, so then I figure what the hell  
**G** **A**  
I ll try cause it s my life  
**Bb** **C**  
So light the match and you and I will...

**G** **A**  
Fly... learn to  
**G** **A**  
Fly... learn to  
**G** **A**  
Fly... learn to  
**Bb** **C**  
Fly...

**G** **A** **Bb** **C**  
Cause I m on my hands and knees I ve crawled eternity to begforgiveness  
**G** **A** **Bb** **C**  
And someday I ll be there I swear to you, God, as my witness  
**G** **A** **Bb** **C**  
For all the trusts I ve broke and, let justice know, it s justthat easy  
**G** **A** **Bb** **C**  
Cause I m a liar, I conspired, I m a liar...

**G A Bb C**

**G** **A**  
And father tell your son,  
**Bb** **C**  
It s not your gun and bloody hands  
**G** **A**  
Don t hide behind locked doors  
**Bb** **C**  
In dresser drawers those bullets wait to fly...

**G** **A**  
Fly... learn to  
**G** **A**  
Fly... learn to  
**G** **A**  
Fly... learn to  
**Bb** **C**  
Fly...

**G** **A** **Bb** **C**  
Cause I m on my hands and knees I ve crawled eternity to begforgiveness  
**G** **A** **Bb** **C**  
And someday I ll be there I swear to you, God, as my witness  
**G** **A** **Bb** **C**  
For all the trusts I ve broke and, let justice know, it s justthat easy  
**G** **A** **Bb** **C**  
Cause I m a liar, I conspired, I m a liar...
