

Gotta Be Somebody
Nickelback

Introdução: **C5 G Am F**

C5 **G** **Am**
This time, I wonder what it feels like to find the one in this life
F
The one we all dream of, but dreams just aren't enough
C5
So I'll be waiting for the real thing
G
I'll know it by the feeling
Am
The moment when we're meeting
F
Will play out like a scene, straight off the silver screen
D5
So I'll be holding my breath, right up to the end,
F **G** (deixe soar...)
Until that moment when, I find the one that I'll spend forever with

Chorus

C5
Cause nobody wants to be the last one there
G
Cause everyone wants to feel like someone cares
Am
Someone to love with my life in their hands
F
There's gotta be somebody for me like that
C5
Cause nobody wants to go it on their own
G
Everyone wants to know they're not alone
Am
Somebody else that feels the same somewhere
F
There's gotta be somebody for me out there

C5 **G**
Tonight, out on the street out in the moonlight
Am
And damn it this feels so right
F
It's just like déjà vu me standing here with you
D5
So I'll be holding my breath
Could this be the end
