Bm

Just one more moment,

G

Thats all that s needed,

D

Like wounded soldiers,

A

In need of healing

Bm

Time to be honest

G

This time I m bleeding

D

Please don t bail on it

A

Cause I didn t mean it

Em G D A Em

I cant believe I said I d lay our love on the ground,

G D A Em

But it doesn t matter cause I made it up forgive me now

G D A Em

Everyday I spent away my souls inside out

G D A

Gotta be some way that I can make it up to you now, somehow

D

By now you know that,

Bm

I d come for you,

A

No one but you,

G

Yes, I d come for you,

A D

But only if you told me too,

Bm

I d fight for you,

A

I d lie its true,

F

Give my life for you,

G\*

D

You know I d always come for you

(solo base) D Bm A F G\*

Bm

I was blindfolded

G

But now I m seeing

D

My mind was closing

A

Now I m believing

Em G D A Em

I finally know just what it means to let someone in

G

D

A

Em

To see the side of me that no one does or ever will

G

D

A

Em

So if your ever lost and find yourself all alone

G

D

A

I d search forever just to bring you home

Here and now, this I vow

D

By now you know that,

Bm

I d come for you,

A

No one but you,

G

Yes, I d come for you,

A

D

But only if you told me too,

Bm

I d fight for you,

A

I d lie its true,

F

Give my life for you,

G\*

Bb

You know I d always come for you

C

D

You know I d always come for you

No matter what gets in my way,  
As long as there s still life in me,  
No matter what remember you know I d always come for you

Yes I d come for you,  
No one but you,  
Yes I d come for you,  
But only if you told me too,  
And I d fight for you,  
I d lie its true,  
Give my life for you,  
You know I d always come for you,

No matter what gets in my way,  
As long as there s still life in me,  
No matter what remember you know I d always come for you  
I d crawl across this world for you,  
Do anything you want me to,  
No matter what remember you know I d always come for you,  
You know id always come for you

(pestanda o G com asterisco (\*))
