

My best friend gave me the best advice
 he said each day s a gift & not a given right
 leave no stone unturned
 leave your fears behind
 & try to take the path less travelled by
 that first step you take is the longest ride

G#

if today was your last day
Eb
& tomorrow was too late
Bb
could you say goodbye to yesterday?
G#
would you leave each moment like your last?
Eb
leave old pictures in the past?
Bb F
donate every dime you have?
Cm
if today was your last day

Against the grain should be a way of life

what s worth the price is always worth the fight

every second counts cause

there s no second try

so live like you ll never live it twice

don t take the free ride in your own life

if today was your last day

& tomorrow was too late

Bb

could you say goodbye to yesterday?

G#

would you leave each moment like your last?

Eb

leave old pictures in the past?

Bb

donate every dime you have?

G#

would you call those friends you ve never seen?

Eb

reminisce old memories?

Bb

would you forgive your enemies?

Cm

would you find that one your dreaming of?

Eb

swear up & down to God above

Bb

F

that you ll finally fall in love?

if today was your last day

Eb

if today was your last day

Bb

F

would you make it up by mending a broken heart

Eb

you know it s never too late

Bb

to shoot for the stars

F

regardless of who you are

Eb

so do whatever it takes

Bb

cause you can t rewind

F

a moment in this life

Eb

let nothing stand in your way

Bb

F

cause the hands of time are never on your side
