Eb

```
& tomorrow was too late
                               Bb
could you say goodbye to yesterday?
                                      G#
would you leave each moment like your last?
leave old pictures in the past?
donate every dime you have?

would you call those friends you ve never seen?
reminisce old memories?
would you forgive your enemies?
would you find that one your dreaming of?
swear up & down to God above
                                          F
that you ll finally fall in love?
if today was your last day

to shoot for the stars
regardless of who you are
so do whatever it takes
                  Bb
 cause you can t rewind
a moment in this life

let nothing stand in your way

could you say goodbye to yesterday?
would you leave each moment like your last?
