

Just To Get High
Nickelback

Intro: D5 - G5 - Bb5 - F5 - C5 - G5

D5 G5
He was my best friend, I tried to help him,
Bb5 F5
But he traded everything, for suffering,
C5 G5
And found himself alone.
D5 G5
I watched the lying, turn into hiding,
Bb5 F5
With scars on both his lips, his fingertips...
C5 G5
Were melted to the bone.

Bb5
But I can still remember what his face looked like,
F5 C5
When I found him in an alley in the middle of the night.
Tell me what you know! Tell me what you gone and done now!
D5
Tell me what you know! Tell me what you gone and done now!
G5
Gonna do the trick, get it over with,
You re better off...
Bb5 C5
To take all you ve got and burn it on the spot,
G5
Just To get high-igh, igh, igh (high-igh, igh, igh).

D5 G5
Three days no sleeping, he gave up eating,
Bb5 F5
He sold his mother s rings, she said nothing,
C5 G5
And pretended not to know...
D5 G5
He started stealing, to supply the feeling,
Bb5 F5
Found out he pulled a knife, on someone s wife...
C5 G5
And held it to her throat.

Bb5
But I can still remember what his face looked like,
F5 C5
When I found him in an alley in the middle of the night.
