

It s hard to say it, time to say it

LAB

Goodbye, goodbye

Mib

Every memory of walking out the front door

SIBsus4

Sib

I found the photo of the friend that I was looking for

REb

It s hard to say it, time to say it

LAB

Goodbye, goodbye...

Mib

SIBsus4

Remember the old arcade?

Sib

REbsus2

Blew ever dollar that we ever made

REb

LAB9

The cops hated us hanging out

Mib

They said somebody went and burned it down

SIBsus4

We used to listen to the radio

Sib

REbsus2

And sing along with every song we d know

REb

LAB9

We said someday we d find out how it feels

Mib

To sing to more than just the steering wheel

SIBsus4

Kim s the first girl I kissed

Sib

REbsus2

I was so nervous that I nearly missed

REb

LAB9

She s had a couple of kids since then

SOLb6

I haven t seen her since god knows when

LAB9

Oh oh oh... Oh god I...

Mib

Every memory of looking out the back door

SIBsus4

Sib

I had the photo album spread out on my bedroom floor

REb

It s hard to say it, time to say it

Mib SIBsus4

I miss that town

SIB SOLb6 LAB9

I miss their faces You can t erase

Mib SIBsus4

You can t replace it. I miss it now

SIB SOLb6 LAB9

I can t believe it so hard to stay.

Mib

Too hard to leave it

SIBsus4

If I could I relive those days

SIB REbsus2

I know the one thing that would never change.

Mib

Every memory of looking out the back door

Mib SIBsus4

Look at this photograph

SIB REbsus2

Everytime I do it makes me laugh

REb LAB9

Everytime I do it makes me.
