

Someday
Nickelback

Verso 1:

Em **D** **A**
How the hell did we wind up like this
Em
Why weren't we able
D **A**
To see the signs that we missed
Em
And try to turn the tables

I wish you would unclench your fists
Em
And unpack your suitcase
D **A**
Lately there's been too much of this
Em
Don't think it's too late

(**Em**)

G **A5** **Em**
I know you're wondering when
