Woke up this mourning

I paid my last respects this mornin on an early grave
 Already said goodbye, nothin left to say
 A tiny church a tiny town and not a tear was spent
 Not how I wanted it, I m hating all of this

Well I m hating, all of this
 I m hating, all of this
 All of this, all of this
 Now I know why, I hide my love from you someday
 No I don t mind keeping this bottled inside me
 You came along, and tore this world out around me
 Looks like you found me
 Now I know why
 I felt like shit when I woke up this morning

I ve been a loser all my life, I m not about to change
 If you don t like, there s the door, nobody made you stay
 There ain t a woman on the planet who can deal with it
 Just how I wanted it, I m hating all of this

Well I m hating, all of this
 I m hating, all of this
 All of this, all of this
 Now I know why, I hide my love from you someday
 No I don t mind keeping this bottled inside me
 You came along, and tore this world out around me
 Looks like you found me
 Now I know why
 I felt like shit when I woke up this morning

All of this, All of this
 Now I know why, I hide my love from you someday
 No I don t mind keeping this bottled inside me
 You came along, and tore this world out around me
 Looks like you found me
 Now I know why
 I felt like shit when I woke up this morning
